

## Acknowledgement, consent, and release

1. Abbott Australasia Pty Ltd (“**Abbott**”) and its officers, employees, affiliates, licensees, agents and assignees, are engaged in the research, development, marketing and sale of, and education and training regarding, amongst medical devices.
2. To assist with the above activities, Abbott may from time to time collect images, photographs, film, audio-visual recordings and other information in connection with its medical devices and their used.
3. Abbott is seeking your consent to the collection of your personal information (including health information) in respect of any videos, photographs, information or other materials provided by you.
4. You understand and agree that your personal information may be used in connection with any of Abbott’s or any of Abbott’s affiliates’ commercial or non-commercial purposes including, without limitation, its presentations, press conferences, printed publications, promotional materials, websites, testimonials about Abbott products, and in the advertising of Abbott's and its affiliates’ goods or services, throughout the world including for:
  - a. training and education purposes e.g. health care practitioner and patient events;
  - b. annual reports of Abbott and its affiliates;
  - c. demonstration of Abbott’s products; and
  - d. promotional purposes e.g. social media accounts and at health care practitioner and patient events of Abbott or its affiliates.
5. You further understand and agree that your personal information may be transferred to and stored in the United States and other countries other than Australia where the level of protection for personal information may be lower than in Australia.
6. Information about how Abbott collects, handles, uses and discloses personal information is available in its Privacy Policy, available at [Abbott's website](#). The Abbott Privacy Policy sets out how you may seek correction of any personal information it holds about you or may complain about Abbott's handling of your personal information. You may also access any personal information that Abbott holds about you by clicking on the "Contact Us" link on the Abbott website you are visiting, emailing us at [webmaster@abbott.com](mailto:webmaster@abbott.com) or writing to:

Abbott Laboratories  
Attention: Public Affairs, Department 383  
100 Abbott Park Road  
Abbott Park, IL 60064-6048

## ACKNOWLEDGEMENT AND CONSENT

7. I consent to the collection, handling, use and disclosure of my personal information in connection with the content I provide as described above by Abbott or its officers, employees, affiliates, licensees, agents and assignees.
8. I consent to, and grant Abbott or its officers, employees, affiliates, licensees, agents and assignees an irrevocable, worldwide licence to, the use, publication, distribution, communication to the public, reproduction, modification, copying or making of any derivative works of any and all content provided by me or relating to me by Abbott or its officers, employees, affiliates, licensees, agents and assignees.
9. I have the right at any time in accordance with applicable law to access my personal information and to withdraw my consent to use and reuse my personal information as incorporated into the images, photographs, film and audio-visual recordings relating to me, and, after such date, Abbott, officers, employees, affiliates, licensees, agents and assignees will not incorporate any such personal information in any new works. Consent may be withdrawn in writing or any other documented format, for example by sending an email to: [webmaster@abbott.com](mailto:webmaster@abbott.com).
10. I acknowledge and agree that the content provided by me and any derivative work, reproduction or modification of that content may be used for the various purposes set out in this form including to promote Abbott and/or its products, in any media, for an unlimited period and without any claim for royalties, residual or other compensation.
11. I hereby waive any right, title or interest that I may have in content provided by me and I hereby waive any right that I may have to inspect and/or approve of any of the uses of any content provided by me.
12. To the maximum extent permitted by law, I hereby unconditionally release Abbott, and its officers, employees, affiliates, licensees, agents and assignees from any and all liability arising in any way as a result of, or in connection with, the use of the content provided by me.
13. I also understand that because it may become public, my personal information may be subject to use and re-disclosure in other ways by third parties, over which Abbott has no control.
14. All consents granted by me and all releases and authorisations given by me in this document are effective worldwide in perpetuity.
15. I am signing this acknowledgement, consent, and release voluntarily, and I understand that it is not a condition of my treatment or receipt of any compensation or services, medical or otherwise.

I confirm that I have read and fully understand this acknowledgement, consent, and release, and the privacy notice, and agree to the terms outlined above.
